Turpin Pond Source

Rapid Clear - 250 ml/8.5 oz

\$14.98

Bottle treats up to 5,000 gallons. One pump per 100 gallons.

Aquascape Rapid Clear is scientifically blended to quickly clear cloudy or discolored pond water fast. Rapid Clear goes to work clumping suspended debris, also referred to as flocculation. Most ponds will be crystal clear within 24 hrs. Rapid Clear is a great way to increase the efficiency of existing mechanical filtration. The convenient pump bottle makes for quick, easy and accurate dosing.
